2. In addition, the Committee shall review disclosure on matters related to the Committee and the external auditor to be made in the Company’s annual management information circular and other annual and period disclosure documents, in accordance with applicable rules and regulations. The Committee is also responsible for assisting the Board in fulfilling its responsibilities relating to any pension matters.
3. The function of the Committee is oversight. It is not the duty or responsibility of the Committee or its members (i) to plan or conduct audits, (ii) to determine that the Company’s financial statements are complete and accurate and are in accordance with generally accepted accounting principles or (iii) to conduct other types of auditing or accounting reviews or similar procedures or investigations. Management is also responsible for maintaining appropriate accounting and financial reporting principles and policies and systems of risk assessment and internal controls and procedures designed to provide reasonable assurance that assets are safeguarded and transactions are properly authorized, recorded and reported and to assure the effectiveness and efficiency of operations, the reliability of financial reporting and compliance with accounting standards and applicable laws and regulations. Management is also responsible for monitoring and reporting on the adequacy and effectiveness of the system of internal controls. The external auditor is responsible for planning and carrying out an audit of the Company’s annual financial statements

in accordance with generally accepted auditing standards to provide reasonable assurance that, among other things, such financial statements are in accordance with generally accepted accounting principles.

PROCEDURES

The Committee shall have the following procedures:

5. *Composition* – The Committee shall be composed of a minimum of three members. None of the members of the Committee shall be an officer or employee of the Company or any of its subsidiaries and each member of the Committee shall be an independent director within the meaning of applicable Canadian and United States securities laws and the NASDAQ corporate governance standards.

All members of the Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, income statement, and cash flow statement and be "financially literate" (as that term is defined from time to time under the requirements or guidelines for audit committee service under applicable Canadian and United States securities laws and the rules of the Toronto Stock Exchange). At least one member of the Committee must also be an "audit committee financial expert" (as that term is defined from time to time under the requirements or guidelines for audit committee service under applicable Canadian and United States securities laws and the rules of the Toronto Stock Exchange and NASDAQ).

6. *Appointment and Replacement of Committee Members* – Any member of the Committee may be removed or replaced at any time by the Board and shall automatically cease to be a member of the Committee upon ceasing to be a director. The Board may fill vacancies on a Committee by appointing another director to the Committee. The Board shall fill any vacancy if the membership of the Committee is less than three directors. Whenever there is a vacancy on the Committee, the remaining members may exercise all its power as long as a quorum remains in office. Subject to the foregoing, the members of the Committee shall be appointed by the Board annually and each member of a Committee shall remain on the Committee until the next annual meeting of shareholders after his or her appointment or until his or her successor shall be duly appointed and qualified.
7. *Committee Chair* – The Board shall designate the Chair by majority vote. If the Chair is absent from a meeting, the members shall select a Chair from those in attendance to act as Chair of the meeting. The Chair of the Committee shall be responsible for leadership of the Committee assignments and reporting to the Board.
8. *Conflicts of Interest* – If a Committee member faces a potential or actual conflict of interest relating to a matter before the Committee, other than matters relating to the compensation of directors, that member shall be responsible for notifying the Committee Chair of such conflict. If the Committee Chair faces a potential or actual conflict of interest, the Committee Chair shall advise the Chair of the Board (or the Lead Director if the Committee Chair and the Chair of the Board are the same person). If the Committee Chair, the Chair of the Board or the Lead Director, as the case may be, concurs that a potential or actual conflict of interest exists, the member faced with such conflict shall disclose to the Committee his or her interest and shall not participate in consideration of the matter and shall not vote on the matter.

9. *Service on Multiple Audit Committees* – Members of the Committee may not serve on the audit committee of more than two other publicly-traded companies unless the Board has first determined that such simultaneous service would not impair the ability of the applicable director to serve on the Committee.
10. *Compensation of Committee Members* - The members of the Committee shall be entitled to receive such remuneration for acting as members of the Committee as the Board may from time to time determine.
11. *Meetings* - The Committee shall meet regularly at times necessary to perform the duties described herein in a timely manner, but not less than four times a year and any time the Company proposes to issue a press release with its quarterly or annual earnings information. Meetings may be held at any time deemed appropriate by the Committee. The Committee may meet in person and by telephone or electronic means.
 - (a) *Calling of Meetings* - The Committee shall meet as often as it deems appropriate to discharge its responsibilities. Notice of the time and place of every meeting shall be given in writing, by any means of transmitted or recorded communication, including facsimile, email or other electronic means that produces a written copy, to each member of the Committee at least 24 hours prior to the time fixed for such meeting, with a copy to the Chair of the Board, the Chief Executive Officer and the Corporate Secretary of the Company. However, a member may in any manner waive a notice of a meeting. Attendance of a member at a meeting constitutes a waiver of notice of the meeting, except where a member attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called. Whenever practicable, the agenda for the meeting and the meeting materials shall be provided to members before each Committee meeting in sufficient time to provide adequate opportunity for their review. The notice of meeting does not, however, need to state the purpose for which the meeting is being held.
 - (b) *Quorum* - A majority of the members constitute a quorum for the transaction of the Committee business.
 - (c) *Secretary of Meeting* - The Chair of the Committee shall designate a person who need not be a member of the Committee to act as secretary or, if the Chair of the Committee fails to designate such a person, the Corporate Secretary of the Company shall be secretary of the meeting of the Committee. The agenda of the Committee meeting will be prepared by the Chair of the Committee, working with the Corporate Secretary and, whenever reasonably practicable, circulated to each member prior to each meeting.
 - (d) *Minutes* - Minutes of the proceedings of the Committee shall be kept in a minute book provided for that purpose. The minutes of the Committee meetings shall accurately record the discussions of and decisions made by the Committee, including all recommendations to be made by the Committee to the Board and shall be distributed to all Committee members.
12. *Separate Executive and In-Camera Meetings* - The Committee shall meet periodically with the Chief Financial Officer, the head of the internal audit function (if other than the Chief Financial

Officer) and the external auditor in separate executive sessions to discuss any matters that the Committee or each of these groups believes should be discussed privately and such persons shall have access to the Committee to bring forward matters requiring its attention. The Committee shall also meet periodically without management present at every regular meeting.

13. *Professional Assistance* - The Committee may require the external auditor and internal auditors, if any, to perform such supplemental reviews or audits as the Committee may deem desirable. In addition, the Committee may, at the Company's expense, retain special legal, accounting, financial or other consultants to advise the Committee in discharging itself of its duties.
14. *Reliance* – Absent actual knowledge to the contrary (which shall be promptly reported to the Board), each member of the Committee shall be entitled to rely on (i) the integrity of those persons or organizations within and outside the Company from which it receives information, (ii) the accuracy of the financial and other information provided to the Committee by such persons or organizations and (iii) representations made by management and the external auditor as to any information technology, audit and other non-audit services provided by the external auditor to the Company and its subsidiaries.
15. *Reporting to the Board* – The Committee will report through the Committee Chair to the Board following meetings of the Committee on matters considered by the Committee, its activities and compliance with this Charter.
16. *Outsiders May Attend Meetings* – The Committee may invite members of management or others to attend meetings or provide information as necessary. The Company's external auditor will have direct access to the Committee at their own initiative.

POWERS

17. The Committee shall have the following powers:
 - (a) *Access* – The Committee is entitled to full access to all books, records, facilities and personnel of the Company and its subsidiaries. The Committee may require such officers, directors and employees of the Company and its subsidiaries and others as it may see fit from time to time to provide any information about the Company and its subsidiaries it may deem appropriate and to attend and assist at meetings of the Committee.
 - (b) *Delegation* – The Committee may delegate from time to time to any person or committee of persons any of the Committee's responsibilities that lawfully may be delegated.
 - (c) *Adoption of Policies and Procedures* – The Committee may adopt policies and procedures for carrying out its responsibilities.

the external auditor and propose the appointment of the external auditor of the Company in the Company's management information circular for shareholder approval. If the Committee deems it in the best interest of the Company to proceed with a change in external auditor, the Committee shall report to the Board the reasons for the change and any other significant issues related to the change, including the response of the incumbent external auditor, and enquire on the qualifications of the proposed external auditor before approving or rejecting the proposed change in external auditor.

19. The Committee shall approve in advance the terms of engagement and the compensation to be paid by the Company to the external auditor with respect to the conduct of the annual audit. The Committee may approve policies and procedures for the pre-approval of services to be rendered by the external auditor, which policies and procedures shall include reasonable detail with respect to the services covered.
