Alithya's Proven Approach

Our people are authentic, open and engaged

Alithya means "truth" in Greek. It reflects who we are and how we fulfill our mandates. Combined with our agility and our culture of innovation, authenticity is what we are known for and what makes us special. Our philosophy of partnership with our clients also adds the following benefits:

- > Our experts guide your decision-making to help you reduce costs and improve long-term performance.
- > Our advisors are close by and easily accessible.
- > Our teams are composed of advisors hand-picked to meet your needs, who will remain with you throughout your project for optimal efficiency.
- > At the end of your project, we transfer all the knowledge you will need for your business continuity.

In order to execute the many projects our clients entrust us with, we need solid processes and skilled teams for all the facets of digital technology. Alithya stands out for its knowledge of recognized industry methods and practices, supported by the right certifications for the given business sectors, standards and accepted practices. Our Montreal and Quebec City offices are also certified ISO-9001.
